Welcome Future Engineers

We are so excited you will be joining us in the Samuel Ginn College of Engineering as a future engineering student! We look forward to meeting you at Camp War Eagle!

Once you have registered for Camp War Eagle, it is recommended you register and attend a "Get Ready for Camp" virtual session hosted by Dr. Janet Moore, Assistant Dean & Director of Student Services within the College of Engineering. This virtual event will be an opportunity for you to learn more about what you will experience this summer with regard to academic advising and course registration. ALEKS Math Placement Assessment

ACT/SAT scores will no longer be considered for math placement.

Placement can be determined by:

- Credit awarded from AP/IB test scores
- College credit earned through dual enrollment or transfer credit
- ALEKS Math Placement Assessment

You should complete ALEKS at least two weeks prior to your CWE session.

- Without math credit or an ALEKS score, **a student will not be eligible to register for a math course.**

ALEKS Math Placement Assessment

ALEKS is found in AU Access under the My Academics tab.

Assessment is up to 30 questions and generally takes 60-90 minutes to complete.

After the assessment, an individualized Prep and Learning Module is available to help refresh your knowledge on forgotten topics.

Students can take the ALEKS **up to 3 times**, and **the highest of the scores** will be used to determine placement. *You must wait at least 48 hours between attempts.*
