NEW STUDENT MODULES: One component of orientation is a series of new student modules found at auburn.instructure.com. This course is called "Camp War Eagle and Advising." Please note that the first three modules are required. Module 2 is specific to your college and major, so be sure you know that information when beginning the modules.

EARLY ARRIVAL: If you requested housing for the night before your session starts, you will receive additional instructions in the email referenced above. Plan to arrive between 5:30 pm - 7 pm CT on this day if possible.

CHECK-IN: CWE Counselors will be located in the designated CWE parking areas to assist students and guests once they arrive. Upon arrival, you will be directed to your check-in location. Check-in is from 7:30 am - 8:15 am CT. Orientation will begin at 8:30 am. Please refer to the campus map and instructions in this packet.

ATTENDANCE: If you do not attend all the meetings scheduled at Camp War Eagle, **you will not be cleared to register for classes**. You will be asked to participate in another Camp War Eagle.

COURSE REGISTRATION: You will register for classes at **2:30 pm on Day 2** of your session. It is strongly encouraged that you bring a laptop or tablet to CWE to assist with course registration.

LODGING: You will be assigned suitemates when you arrive. All freshmen are required to stay in the residence halls the night of their session (Monday/Thursday). Men and women will be assigned to separate floors in each hall with no visitation allowed on floors of the opposite sex. **Students are not allowed to stay off-campus while at CWE.**

MEALS: Breakfast, lunch, and dinner will be provided to students and registered guests on Day 1 of your session. Breakfast and lunch will be provided on Day 2.

REQUEST FOR SPECIAL ASSISTANCE: If you or your guests need to request any special accommodations which you did not include when you registered, please let FYE know via phone or email as soon as possible, but at least one week before your arrival. Shorts, T-shirts, comfortable shoes (casual clothes)

Any medication you might need

Laptop/tablet to assist with course registration on Day 2

Personal spending money

Water bottle

Backpack (optional)

Sunscreen and rain gear (just in case!)

FAMILY AND GUESTS: Students may register parents or other family members as guests to participate in CWE with them. If your parents or other family members plan to attend CWE, encourage them to make hotel reservations in advance. Residence hall space is available only for students. Please refer to the “Lodging” link at fye.auburn.edu/cwe/family for more information about local hotels. Family and Guest check-in on Day 1 will be from 7:30 am - 8:15 am CT in the Student Activities Center. Orientation will begin at 8:30 am. If you would like to register any additional guests or family members, please contact our office at fyedesk@auburn.edu or (334) 844-4501.

LOCAL BUSINESSES: CWE will include a business fair featuring local merchants, apartment complexes, restaurants and more on Day 2. You will have the opportunity to get information and free items and to register to win giveaways from them. This is a great opportunity to make a lot of connections to the Auburn community in a short time.

DEPARTURE FROM CWE: Your anticipated departure time from Camp War Eagle will be around 4:30 pm CT on the second day of your session (Tuesday or Friday). Please keep this in mind as you make travel plans. If you are flying out of Atlanta after your session, it would be best to fly after 9:30 pm ET to allow time for class registration at the end of your session plus travel time to the airport. These five hours account for getting to the airport, the one-hour time change, and navigating to your gate.

TIGER ID PHOTO UPLOAD: Tiger ID is the required Auburn University identification. Utilize the self-upload photo option at aub.ie/photoupload to submit an acceptable photo and supporting documentation, and to add your Tiger ID to your mobile wallet, once approved. Please see the Tiger ID details in this packet for more information.

DECLARATION OF MAJOR: You are assigned to a particular college (Engineering, Business, etc.) based on what you stated on your application for admission. If you need to change your major, please do it as soon as possible through the admitted student portal at apply.auburn.edu/status. If you change your major, we recommend that you review the module for your new college.

AP and IB: Scores on Advanced Placement or International Baccalaureate exams should be sent directly to Auburn as soon as possible. AP scores must be sent electronically via College Board at collegeboard.org. The Auburn University code is 1005. IB transcripts can be ordered at ibo.org. Since it is normal not to have your scores by your CWE session, your academic advisors will help you make the best plan based on your major during your advising and registration times at CWE.

AU ALERT AND EMERGENCY CONTACTS: Before CWE, you should register your cell phone number in AU ALERT, Auburn’s emergency notification system, and your emergency contacts, who Auburn will notify if you’re involved in an emergency. Log into AU Access, scroll to the bottom of the page and click “Discover More.” Then search for the “Safety Services” card to update your emergency contacts and sign up for AU ALERT.

MEDICAL DOCUMENTATION: Students must complete the required Medical Information Form via Med+Proctor. It is strongly recommended to do so before your CWE session. You can set up your account with Med+Proctor and read more information about the form at auburn.edu/medicalform. If you have any questions concerning the form, please call the Auburn University Medical Clinic at (334) 844-4416.

AU STUDENT PHARMACY: The AU Student Pharmacy is located inside the AU Medical Clinic. If you want to transfer your prescriptions to the AU Pharmacy or think you may fill prescriptions here in the future, please fill out the online form at pharmacy.auburn.edu. They are able to accept most major insurances and other forms of payment, including billing the student’s eBill account. Please note the AU Student Pharmacy and the Medical Clinic are separate entities and require separate new patient forms.

Please note that Auburn University is in the Central Time Zone.

ACADEMIC ADVISING AT CAMP WAR EAGLE

You will meet with your Academic Advisor on Day 2 of Camp War Eagle. Here are a few things to expect:

ALEKS Math Placement Assessment

- ✓ **ALEKS PPL is available to all incoming students free of charge.**
- ✓ **Freshmen must complete the assessment at least two weeks before their CWE session.**

Do I have to?

Yes. Auburn University requires incoming freshmen to complete the ALEKS Math Placement Assessment before attending Camp War Eagle (CWE). If a student does not have an ALEKS score, AP/IB credit, or dual enrollment/transfer credit, the student will not be eligible to register for a mathematics course following CWE. Students taking ALEKS after CWE have no guarantee of a seat when trying to register for a mathematics course. If a student does not attain a score needed for placing in the mathematics course required for their major, the student will have to take the appropriate set of prerequisite courses. For specific information about various mathematics courses and CORE mathematics requirements, please refer to the [Auburn Bulletin \(bulletin.auburn.edu\)](http://bulletin.auburn.edu).

How am I placed?

If I have the minimum score on ALEKS PPL:	OR College Credit for:	Then I can take:
Below 50%	No college credit	MATH 1000 College Algebra
50%	College credit for MATH 1000	MATH 1100 Finite Math and Applications

64%	College credit for MATH 1120 (MTH 112 at AL 2 years)	MATH 1130 Pre-Calculus Trigonometry
64%	College credit for MATH 1000 with "C" or above	MATH 1150 Pre-Calculus Algebra and Trigonometry
68%	College credit for MATH 1120 or 1130 or 1150 (MTH 112 or 113 or 115 at AL 2 years)	MATH 1680 Calculus with Business Applications I
78%	College credit for MATH 1130 or 1150 with "C" or above (MTH 113 or 115 at AL 2 years)	MATH 1610 Calculus I MATH 1617 Honors Calculus I

What if I don't like my score? What if I don't like my score? Students may take the ALEKS Math Placement Assessment up to three times, and the highest of the three scores will be used to determine mathematics course placement. Working in the ALEKS prep modules is required between attempts.
