CAMP WAR EAGLE

2026

We are excited to see you this summer at Camp War Eagle, Auburn's orientation experience for incoming freshmen and their families. Be sure to check your Auburn email regularly for details about orientation and other updates.

REGISTRATION OPENS MONDAY, MARCH 30

Incoming freshmen who have paid the \$250 enrollment deposit prior to March 25 will be assigned to one of three CWE access groups. On March 30, each access group will have a dedicated 45-minute window of time to complete registration for a CWE session.

Group 1: 1–1:45 p.m. CDT

Group 2: 2–2:45 p.m. CDT

Group 3: 3–3:45 p.m. CDT

During the registration window for each access group, one third of the total spots available for the 12 CWE sessions will be open. For example, if Session 1 has 300 available spots, 100 spots will be available from 1–1:45 p.m., 100 more from 2–2:45 p.m., and 100 more from 3–3:45 p.m. This ensures that there is no advantage or disadvantage to being in a specific access group. Access groups are randomly assigned and will not be changed.

At 4 p.m., registration will be available to all students from any access group and will remain open until June 1. Please note that you may not change sessions online once you are registered for a session. You may request a session change, but there is no guarantee the request can be accommodated.

You will register for CWE in AU Access on the First Year Experience card. Before logging in to select your session, be prepared with several date options in case some sessions are at capacity and not available. *There is no advantage to coming to an earlier session of CWE.* Students in some majors will have more limited session dates than others. Please refer to the CWE website at auburn.edu/cwe for more information.

If you plan to register your parent(s) or other family member(s) to attend CWE with you, confirm the session you select works for them as well.
