## 2024

We are excited to see you this summer at Camp War Eagle, Auburn's orientation experience for entering freshmen and their families. Be sure to check your Auburn email regularly for details about orientation and updates from other offices on campus.

### REGISTRATION OPENS

Tuesday, March 26, 1 p.m. CDT

We will send a reminder to your Auburn email on Monday, March 25. (If you are receiving this information after March 26, please register for your CWE session as soon as possible.)

Before logging in to select your session, be prepared with several options in case some sessions are at capacity and not available. Students in some majors will have more limited session dates than others.

If your parent(s) or other family member(s) plan to attend CWE with you, confirm the session you select works for them as well. When you register, you'll need each person's name, email, and any special accommodations they may need.

There is no advantage to coming to an earlier session of CWE.
