

WAR EAGLE AND WELCOME TO AUBURN UNIVERSITY!

We are very excited that you have registered to attend Successfully Orienting Students (SOS) on-campus on **Friday, April 12, 2024**. This letter and enclosed information serve as your confirmation.

CHECK-IN: Student and guest check-in is from **7:45 – 8:15 am** Central Time in the Melton Student Center. Please plan to arrive between 7:30 am – 8:00 am. Parking for your session is in the Stadium Parking Deck on the fourth floor. The deck is adjacent to Jordan-Hare Stadium and near the Melton Student Center, where most of the orientation will be held. Enclosed in this mailing is a map of campus and a parking pass with directions to the Stadium Parking Deck. **Please bring the enclosed map and parking pass with you to your session.**

DEPARTURE FROM SOS: **Your day should conclude at approximately 4:00 pm. Please plan to stay the entire time.** Attendance is mandatory for all parts of the SOS day through the academic college time, and if you do not attend all of the meetings scheduled, you will have a hold on your account. You will be allowed to attend SOS at a later date.

SCHEDULE: A tentative SOS schedule is available at auburn.edu/sos/programinfo. You will get an e-mail from First Year Experience a few days before your session with final reminders and updates. You will receive a detailed schedule when you check in at your session.

PARENTS AND GUESTS: There will be a separate parent/guest program that runs concurrently with the student program. If your parent/guest would like to attend but has not yet registered, please call our office at 334-844-4501. Please note there is a \$50 per guest fee. That fee will be charged to your student account and is nonrefundable.

CLASS REGISTRATION: Academic advising and orientation will operate independently, and no advising will be available during the SOS session. It does not matter if you complete advising or orientation first, however you should start the advising process as soon as possible. To be advised, you must have submitted your \$250 enrollment deposit and have completed the new student modules (auburn.edu/sos), which includes the transfer plan of study. You will then be able to register for classes once you have been advised and you have an open registration time ticket. If you have not already completed the new student modules, we encourage you to do this as soon as possible. It will take time for your advisor to review your information and you will want to be able to register as your registration time ticket opens (early April).

DECLARATION OF MAJOR: You are assigned to a particular school or college (Engineering, Business, etc.) based on what you stated on your application for admission. **You may request a major change at any time.** If you have not registered for classes, please make the change in your applicant portal (apply.auburn.edu/status). If you want to make a change after you have registered for classes, please submit the change through the survey found at aub.ie/majorchange. This will notify the college of your new and old majors of the change. **Please make all major change requests as soon as possible.** If your major is in a new college, you should complete the new college's module and survey at the end of it to alert the new college about the change.

MEDICAL DOCUMENTATION: Upon acceptance to Auburn, you are placed on hold by the AU Medical Clinic until your submission of the required Medical Information Form. This form is through Med+Proctor and you can find more information about the form at auburn.edu/medical. You should complete this form as soon as possible to clear this hold permanently. If you are unable to finish the medical form before your class registration opens, review the new student modules for information about completing the electronic Letter of Understanding (eLOU). This will temporarily move the hold so you can register for classes. **If you have any questions concerning the form, please call the AU Medical Clinic at (334) 844-4416.**

REQUEST FOR SPECIAL ASSISTANCE: If you need any special accommodations during the SOS session, we ask that you please let us know as soon as possible. We will be happy to assist you. This includes all dietary, mobility, health, and communication needs. Please also inform the Office of Accessibility at (334) 844-2096 if applicable.

TIGER ID: You are highly encouraged to submit the photo and supporting documentation for your Tiger ID online before you arrive. Check out more information at aub.ie/photoupload.

AU ALERT AND EMERGENCY CONTACTS: Before attending SOS, you should register your cell phone number in AU ALERT, Auburn's emergency notification system, and your emergency contacts using the form at auburn.edu/emergencycontacts. (Once logged into AU Access, click the My Campus tab, and the links for My Contacts and AU ALERT.)

Students: Please begin checking your Auburn University email account daily for important information. You will get an email from SOS a few days before your session with final reminders and updates.

Once again, we are happy that you will be with us, and we will do our best to serve you during your orientation experience. Should you have any questions or concerns, please contact us at 334-844-4501 or visit our website at auburn.edu/sos.
